About Us

School of Allied Health Sciences, VMKV Medical College & Hospitals Campus, Salem was established in the year 2021 as dedicated to the education of allied health professionals.

The Institution offers Bachelor Degree and Master Degree programs, it is attached to Vinayaka Mission's Kirupananda Variyar Medical College and Hospitals, Salem which was established in the year 1995 and one of the best highly specialized medical care hospitals, Salem, Tamilnadu.

The institution has a limpid vision of providing service to humanity at large by making available the best form of health care to the local community. It provides able governance and leadership to translate this vision into action through its high quality education and advancement of medical programmes to achieve national and international health goals. The hospital has 810 beds with best of world class facilities made available with all innovative and sophisticated state-of-the-art equipment and teaching facilities.

The institution has both internal and external quality assurance cells for promoting the quality of academic, administrative and research activities.

Professional Development Programme and Student mentoring programme & extra-curricular activities are conducted for the students regularly. The institution is conducting a co-curricular activities seminar / workshop. The periodical medical camps and NSS programme are being conducted in rural, tribal and urban areas in and around Salem and neighbouring districts. Curriculum development programme regularly to update teaching methodologies and the curriculum and syllabus for the UG and PG courses.
